Dated, Chickmagalur, 29th January 1909

Sir,

In pursuance of the Government Proceedings No. 3637-9 dated 11th February 1908, sanctioning the taking over under Government management the temple of Sri Durgamma at Antargatte in the Kadur Taluk, I have the honor to state that the Amildar of the Kadur Taluk was directed to conduct on old lines the management of the Jatra of the said deity held in February 1908, and to make a report on the action so taken.

2. From the report of the Amildar, it is seen that at the above Jatra, a sum of Rs 157.12.1 was realised by means of Kanikas, that the offerings made by the devotees in the shape of jewels, clothes, etc, were auctioned as was the custom, and fetched a sum of Rs 37.2.0; that the shop-tax imposed during the Jatra amounted to Rs 117.6.6, and that the total receipts thus amounted to Rs 312.4.7. Out of the amount thus realised, Rs 134.4.0 was expended on Santarpane, etc, during the Jatra, and the balance of Rs 178.0.7 was credited to the Treasury.

The gross average income may be estimated at about Rs 300/- annually.

3. As regards the items of expenditure, it is ascertained that, ordinarily, puja is conducted in the temple only on Tuesdays Fridays and on New moon days, and that the Archaks, who are twelve in number,

each of whom renders service by turns for one month, are not paid anything in cash. They receive paddy, oil, Etc., from the devotees and the oil is utilised for maintaining four Nandadeepams in the temple. The temple musicians enjoy the land in the Khata of the temple and perform their duties, and these also are not paid anything in cash.

The scale of expenditure is recommended by the Amildar with the approval of the devotees to be fixed as follows:—

	Rs. a. p.
1. Padithana	25. 0. 0
2. Ketchu Kalle in Sravana	20. 0. 0
3. — do — in Asweeja	10. 0. 0
4. do — in Kartika	20. 0. 0
5. — do — during Jatra in Magha . . .	125. 0. 0
Total Rs.	200. 0. 0

In the absence of any definite and permanent source of income to the temple, it is not possible to fix any definite and unalterable standard of expenditure. Owing to some unforeseen circumstances

such as the outbreak of plague or other virulent diseases, the income - the bulk of which is realised during the Jatra - may not come up in any year, or in a succession of years, to the estimated amount, and the burden of meeting the charge may be consequently thrown on Government if we commit ourselves to a definite scale of expenditure, and if sufficient funds are not available at the credit of the institution to meet the charges. I would therefore suggest that the above scale may be sanctioned, subject to the restriction that it should always be limited to the amount at the credit of the institution

4. For the supervision of the temple affairs the undermentioned gentlemen may be appointed Dharmadarsees of the temple.

(1) Antargatte Lingappa, Shanbhogue
(2) " Krishnappa, Patel.
(3) " Nadig Ramanna
(4) " Chikmallur Patel Kallegowda
(5) " Sanklapur Patel Thimmegowda
(6) " Siddapur Patel Kariamma
(7) " Asandi Chandra Sastriah
(8) " Sanklapur Buddivanta Bommanna
(9) " The Sheikdar, Hiremallur Hobli

Of these Lingappa, the Shanbhogue of Antargatte may be appointed, as resolved by the devotees, Vahinatdar of the temple to look after the income and expenditure and to keep proper accounts for the same.

5. Regarding the proposed cart tax, it is reported that something like 2000 carts collect on the occasion of the Jatra. A light tax of 6 pies may be imposed on each cart so collected. By this imposition, the average annual income may be raised by about Rs 60/.

6. The question of holding a cattle show at Antarghatta may be deferred for the present, as the place is not conveniently situated for this as no water and fodder are available during the Jatra which takes place in the month of Magha, when everything will be parched up completely.

7. With regard to the safeguard of temple jewels, it is reported that the

the temple has got jewels, silver and gold, and other articles worth about Rs 5500/-. The greater portion of these is not likely to be required for daily use; and such jewels may be secured in the Taluk Treasury. The remaining jewels which are required for daily or occasional use may be secured in the iron safe in the temple, the Key of which being entrusted to the Vahivatdar after taking sufficient security from him for the custody of the jewels.

I herein enclose for favor of reference the Vernacular records connected with the case ending with the Sub. Division Assistant Commissioner's Yadi No. 303 dated 19th September 1908, and also the petitions of heading Ramanna forwarded to this Office with your docket No. 831 Inwz. Secretary to the Government of
Mysore Bangalore

Sir,

With reference to your letter No. 1248/ By 5/3/1909.
Muz. F. 17-08-8 and No. 621/ M F. 17-08 Dated 30-8-09, calling for a report with my opinion on certain points raised therein, re the management of the Sri Durgamma temple at Antargatte in the Kadur Taluk, I have the honour to State that the Amaldar of Kadur, who was asked to enquire and submit a report re the land belonging to the temple, &c, reports that land Survey No. 52 (dry) measuring 7 Acres and 13 Guntas and assessed at Rupees 5/-, is in the possession and enjoyment of the temple musicians, that it is Kandayam land and not Inam, that the Khata of the land stands in the name of Manga, one of the temple musicians (and not in the name of the Temple as reported in my previous letter) and that the assessment thereon is being paid annually of the temple funds. It is not —

not ascertainable how the land was obtained for the temple, Seeing that it belongs to the temple, though enjoyed by the musicians, the Amildar has been directed to have it registered in the name of the temple instead of having it in the Khata of one of the musicians.

Out of the Nine gentlemen recommended for the appointment of Dharmadarsis of the temple in question, Nos. 6, 8 and 9 (Viz Siddapur Patel Hariappa, and Sanklapur Buddivanta Hire Nallur Hobli, and Bommanna, the Shekdar of Hanalur Hobli) may be ommitted from the list if the Government Consider that the Number of Darmadarsis be reduced. The list as thus modified will Stand as follows:-

1. Anlavgatte Singappa Shanbhogue.
2. " Krishnappa, Patel.
3. " Nadig Ramanna,
4. " Sirsi K Nallur Patel. Kalle Gowda.
5. " Sanklapur Patel Thimme Gowda.
6. Asandi Chendrasekhariah.

As Suggested in your letter under reply, a Committee of Dharmadarsis may be appointed, with Shanbhogue Lingappa as President, instead of appointing the latter as Vahivatdar.

As regards the appointment of Vahivatdar of the temple, I beg to State

that, Since both Krishnappa and Ramanna have given their Consent to the appointment of Shanbhogue Linyappa as Vahivatdar and given a Statement to that effect on 16 5. 08, it is presumed that the appointment of Linyappa as President of the Committee of Dasa Parsees will not give any offence to either of them nor affect the income of the temple

The Vernacular records and Petitions received with the above are herewith resubmitted.

I have the honor to be,
Sir,
Your most obedient Servant,

A Deputy Commissioner,
Kadur District.
